HOW THE EVENING WORKS

01 The mill, shared or exclusive

Shared with other bookings, or exclusive: the whole mill (halls and terrace) for you alone, optional, €300 VAT included per event.

02 Arrival

Appetisers wait at food stations around the interior, and the bar serves drinks continuously from the first minute.

03 Tapas on trays

A few minutes in, the tapas start going round on trays. Nobody is stuck in a chair: people move and mix.

04 Sweets

If your menu includes them, they arrive at the stations about 45 minutes after the tapas.

05 Length

Up to four hours, finishing by midnight at the latest.
